

# THE DANCER'S POINTE

## From the Director:

WOW IT IS HARD TO BELIEVE THAT SPRING HAS SPRUNG!! Most classes are in the final stages of recital choreography and some have even finished learning their entire routine. We now begin the task of polishing their presentations. Costumes have begun to arrive and as they do the students will try them on and bring them home to be stored for safe keeping until picture day. Pictures will be taken during class time the week of May 1st. Included in this newsletter is the schedule for which show your dancer will perform. Please check it carefully and let us know if you have any questions. New this year... we will be having a few commercial spots for our local businesses. If you own a business or know someone that does, that would like to advertise their business to our captive audience please let us know. These commercial video spots are limited and are on a first come, first serve basis.

Our annual recital, June 3rd, is going to be an amazing event and should not be missed. Each family will receive a coupon code for 2 tickets to the show, that must be claimed through the ticketing website. Additional tickets may be purchased **ONLINE ONLY BEGINNING MAY 17TH AT 6:00PM**. Tickets go fast, so please tell your family and friends now to save the date. Those groups wishing to sit together must purchase their tickets as a group or be logged on together. Tickets are subject to confirmation by the studio. Your account must be in good standing for your tickets to be released.

Reminder... it is critical that students are in class, on time, dressed appropriately and ready to learn. We do allow our dancers to wear a variety of shoes for practice during class, however, dancers will need the correct matching class shoes for the show. Students enrolled in jazz/tap classes must wear tan jazz shoes and black tap boots and those attending ballet/tap classes will wear pink ballet shoes and black tap shoes for recital. Please be sure that your dancer is prepared.

Dancers need to practice at home. We encourage families to request to video record the teachers performing the choreography. It is very helpful to practice more than just once a week during class time. Don't forget to practice smiling, too. Also, watch your email for the link to class music coming soon. At this time, we are also accepting ad's for our recital program. If you would like to see a sample program from past recitals please ask at the front office. The ad forms may also be picked up at the front desk and are due by **April 19th**. Ads give family members an opportunity to send a special message to their dancer and we also include this years dance picture. Ads may be from parents, family and/or friends. This is an excellent way to honor your dancer.

Thanks for reading the newsletter. Tickets to our annual show will be sold beginning when... answer that and win a prize. Be sure to remind your friends and dance mates to check out all the news.

## VOLUNTEERS NEEDED

We need 25-30 volunteers in each of the dressing rooms for both dress rehearsals and the recital. Supervision for our dancers is critical to the success of our show. It is beneficial to have the same people at both the dress rehearsal and recital. Please choose to volunteer at the dress rehearsal and recital that IS NOT your dancer's performance. Our dress rehearsal is a closed event and only these volunteers will be permitted to stay.
